VALLEY VIEW

Louis,

I am one of the nicest seniors  
I know. I will always remember  
the good times we had together and  
hope we can always have many more.  
I will especially remember the class  
(I think you know what I mean) you  
will always be one of my best friends  
and I hope I will always be yours.  
Lots of luck in the future.  
I know you will be a great success.

a friend always,  
Blanche

You,  
To my best friend through my high school years. The wonderful times we shared together (Class Play, Class Night, Prom, Graduation) have been times that brought us even closer than we had been. We shall not be long apart for I am sure our College days will be as exciting and interesting as high school. Our friendship has been one that I shall always cherish as one of the warmest experiences of my life. At times we might have had our differences but all in all it has been fun. I am sure success will follow you where ever you go for you have worked hard for it and deserve it. My excursions to Bennezzette and yours to Byrnedale were a blast, especially the picnics with Mary and Lenny. Always remember me as I will remember you — as a friend and confidante.

Now,

to someone  
who has always  
been a wonderful  
friend. Remember

Best to you

Love

Good luck always to a very close friend.  
Always remember our school years both  
in Benzyth and Westville. Especially,  
Miss Klingenmeier's class, remember how we sat  
on the back and would move our seats to  
the window. I know you will achieve  
great things because you really deserve it.  
Don't forget the Benzyth Gang either.

Good luck AT  
KODU STATE

Always your friend  
Ressome
